24st July 2020

Dear Travelers' Century Club Member,

I hope that all Travelers' Century Club UK and Ireland members are safe and well in these very challenging times. Although travel patterns for most of us have changed beyond recognition, we are still able to share our experiences and plans for future travel.

I have been working with Doggett's Coat and Badge to understand the possibilities of rescheduling our cancelled April meeting. They have assured me that they are following all government guidelines to minimise the risks of Covid-19. As our meeting is in a private room, we will be controlling numbers and seating and will be able to avoid most chance encounters with the general public. As a result, I have rescheduled our next meeting.

Please note that we will continue to follow UK government guidelines, and ask all members who plan to attend to adhere to these guidelines as well. There is a possibility of postponing our meeting if a second outbreak or a localised lockdown occurs. Your payment for attending will remain safe and not be forfeited if this happens. However, I strongly recommend that you are flexible when making your travel plans just in case.

I am also pleased to announce our guest speaker, Dr Olaf Horstick, who is a medical doctor, professor and teaching director at the Heidelberg Institute of Global Health, University of Heidelberg.

The Travelers' Century Club UK will be holding our next meeting on **Sunday, 27th September 2020**, returning to the Terrace Bar (top floor), a private meeting room upstairs with an outdoor balcony and panoramic view of the Thames and St Paul's Cathedral, at the

Doggett's Coat and Badge

A three course lunch will be served shortly after 1pm. Please provide your veg/non-veg preferences, which are listed in your RSVP. A cash bar will be available for soft drinks, beer, wine and spirits.
