Train to Bratislava – for those who are interested in adding on a visit to Bratislava, the train runs every 2 hours during the daytime. The journey is about 4 hours and can be purchased for approximately £60 return with conditions.

Estimates and logistics:

As this is an informal agenda with many independent options, the TCC UK will cover the cost of Saturday lunch and dinner as well as the boat trip and lunch. *Estimated* cost per member £150. We also recognise that some members will arrive on Friday; others will arrive on Saturday morning. I am happy to provide an additional estimate for anyone who wishes to include Friday dinner. Travel, accommodation, transfers, and optional activities will be a members' expense. I plan to stay at the Marriott Hotel in Central Prague.

Please RSVP no later than Friday, 6th March 2015 (or earlier if possible) so I can work with an estimate of how many will attend. Members are encouraged to invite a guest if they wish. We extend a special invitation to all other TCC Members worldwide.

If attending, I will provide firm costs shortly after 6th March. We will request payment approximately 60 days before the event.

We look forward to seeing you.
