TCC Regional Meet-Up! New York Neighborhoods

July 10 – 13, 2025

tccnyarea@gmail.com

Essen, Germany

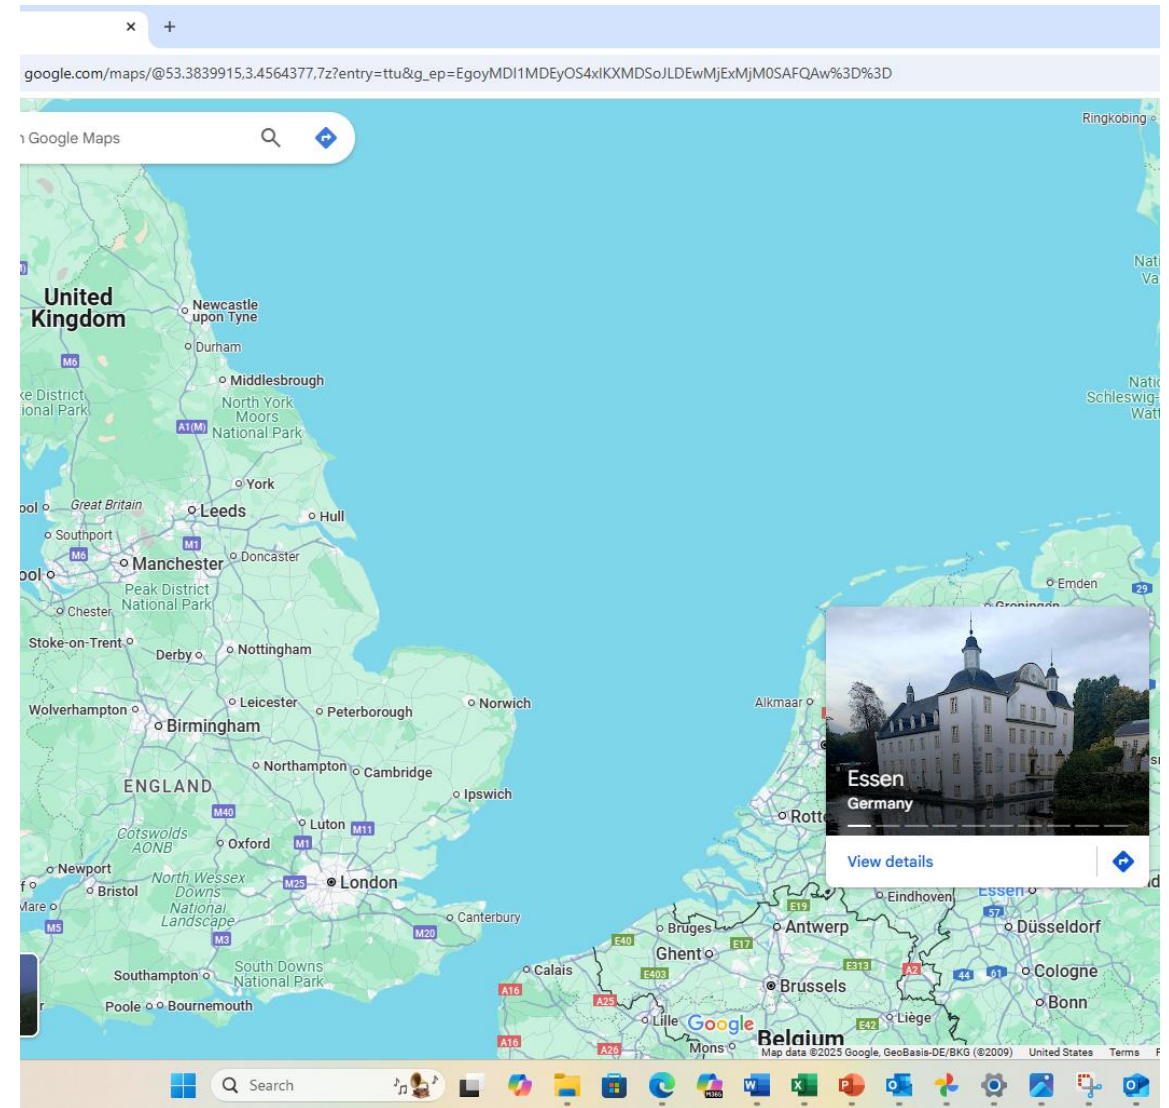

September 5-7, 2025

Each year, the Central Europe Chapter hosts two meetings... one in Germany and one in another European country.

The weekend kicks off with a Friday evening dinner/reception. Saturday offers a range of TCC presentations. And Sunday is saved for sightseeing organized by the Local Host.

Central Europe welcomes TCC guests!

Belfast

October 24-26, 2025

TCC UK and Ireland Chapter Meeting in Belfast

Members & Guests from Other Chapters Invited!

“Many if not most of you have probably been to Northern Ireland. This weekend will be a visit to Belfast with a difference.

It will give you the opportunity to visit places that you may not have considered, or that have changed if you visited long ago.”

Donna Marsh, Chapter Coordinator, UK and Ireland

donna_marsh@hotmail.com

Belfast

The weekend will be planned in conjunction with TCC UK and Ireland member, Belfast resident, and one of the few members who have completed the TCC 330 list, **David Langan**.

From Vicki Russell, TCC Canada On The First Senegal Trip in 2024

I loved the trip to Senegal—it is truly a fascinating part of West Africa. Sherri made the trip beautifully memorable with a full and varied itinerary. We saw so much in the time we were there. We not only saw a number of sites in Senegal—but Sherri also arranged for us to meet some of its people—which I found particularly interesting.

We were based in the lovely town of Somone (with its relaxed open-air markets and sandy streets). The town lies next to a gorgeous strip of ocean beach with small hotels offering a West African and French flair.

We visited the renowned bird sanctuary in Somone which is set in a tranquil mangrove area next to the ocean.

We also went to Dakar (about an hour away) and took the ferry to the UNESCO site of Goree Island. It is filled with history, museums, art and emotion. It is not to be missed.

The Bandia Reserve is surprisingly close by—yet it is home to a wide selection of animals from giraffes to rhinos, zebras, antelope, etc plus some mischievous monkeys!

The landscape is interesting, too—with its baobab trees.

I loved the trip!

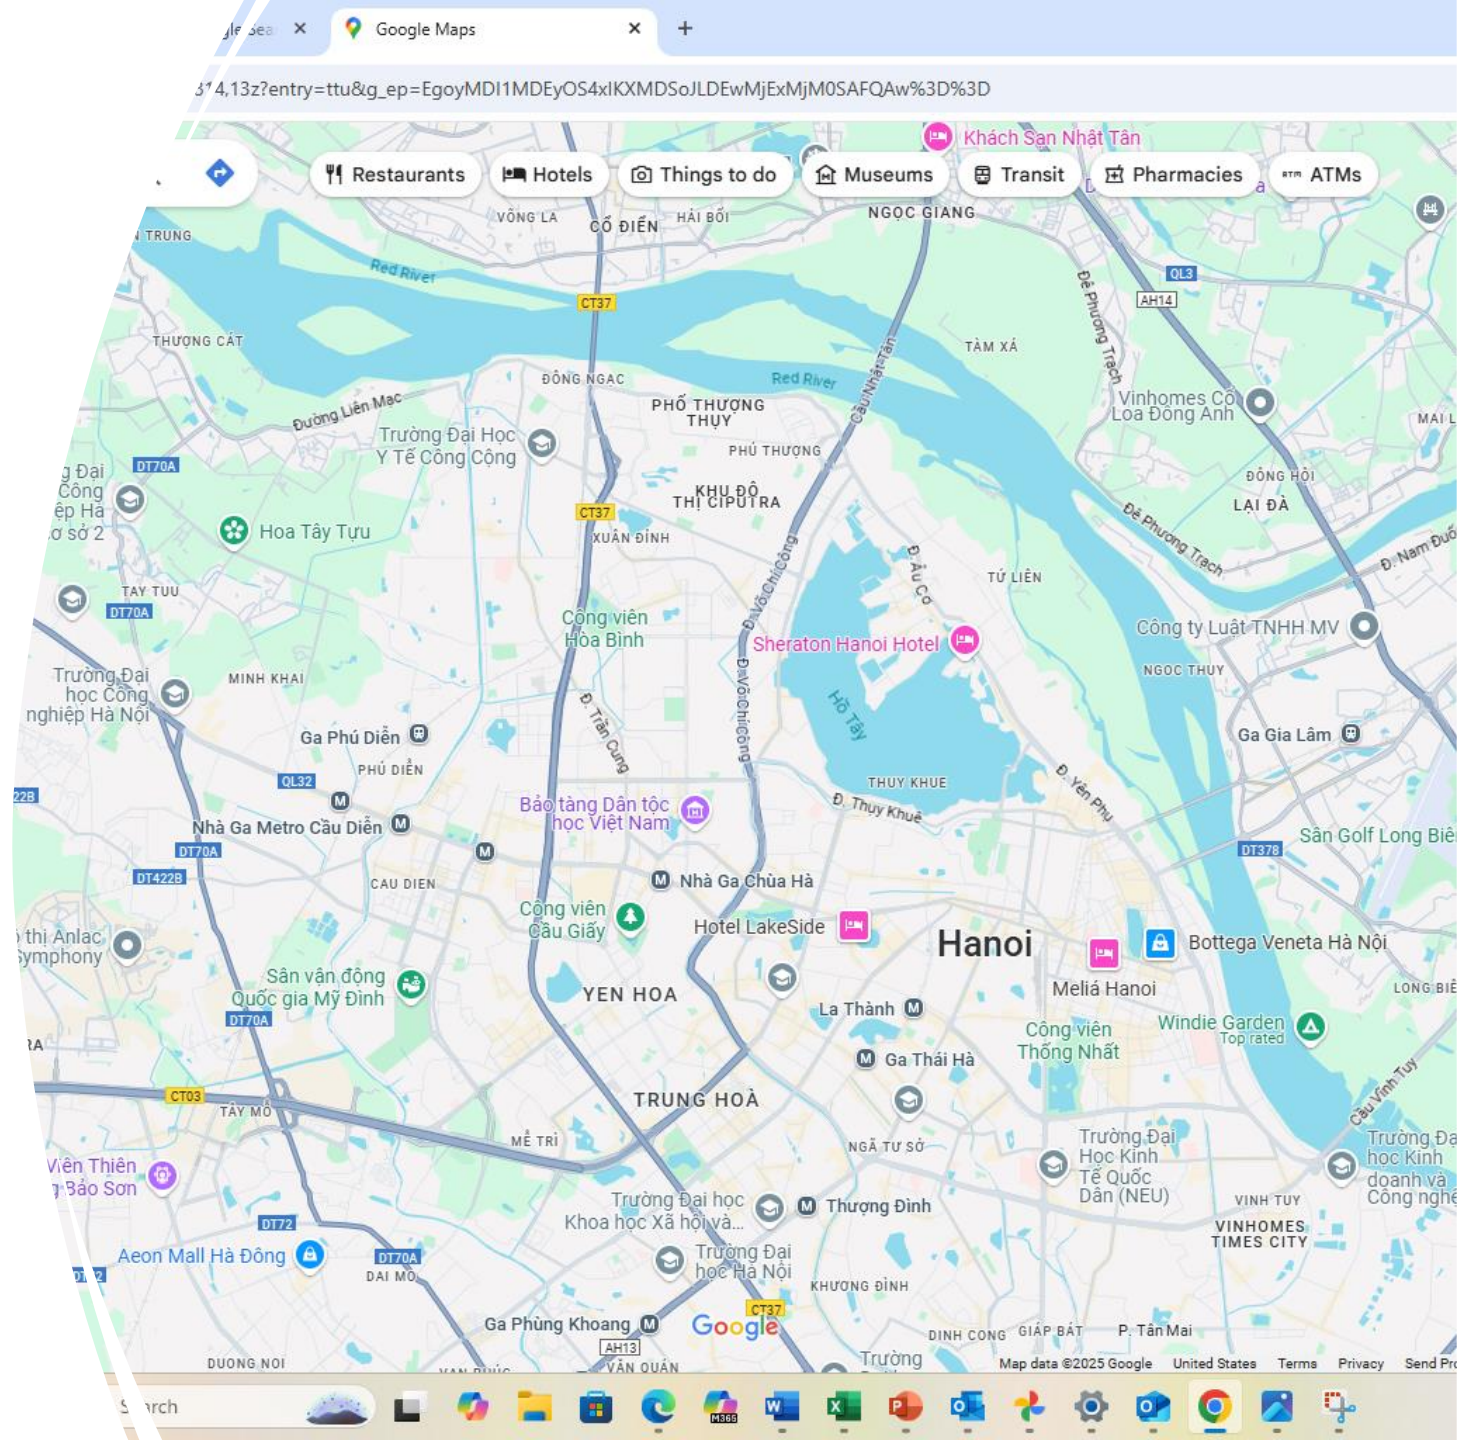

HANOI

TCC International Conference
May 3-7, 2026

Hanoi

A fascinating city and an exciting jumping off point for travels to many TCC territories.

The meeting is not quite finalized... but almost! An email will be sent to the membership soon. Stay tuned! See you there!
